Ship, track and manage orders easily with Linnworks and Shippo

Shippo is the leading shipping platform for modern e-commerce. More than 300,000 businesses, including top brands, e-commerce platforms, marketplaces, and 3PLs, trust Shippo to streamline the complexities of shipping and fuel growth. With Shippo's platform, businesses of all sizes can access 40+ global carriers, get real-time shipping rates, print labels, automate international paperwork, track packages, facilitate returns and more.

Why Shippo?

Process orders natively

Shippo works natively within your Linnworks environment to process orders seamlessly. Ship, track, and manage orders - no extra tabs or copy/paste.

Keep shipping costs low

Instantly access preferred rates from USPS and 40+ other global carriers alongside FedEx, UPS, Royal Mail and any other customer rates you may have.

Eliminate delivery doubts

Shippo works with 1K+ global carriers to provide seamless visibility into delivery status so your team and customers always know where packages are.

Why Linnworks?

Linnworks is a Connected Commerce Ops™ platform that gives online retailers the power to connect, automate and scale their ecommerce operations from a single source of truth. The platform gives them a bedrock of tools (listings, order/inventory/warehouse management) that are needed to drive new revenue, exceed customer expectations and streamline logistics.

Linnworks power businesses to drive growth and boost brand success.

Linnworks processes $8bn+ GMV each year globally and serves some of the world's biggest brands.

Linnworks connects with over 100 selling channels including global marketplaces, D2C platforms and emerging selling channels.

Key integration features

Shippo enables Linnworks users to manage the entire shipping workflow: rate shopping, label creation, tracking, and returns, without ever leaving Linnworks. With **access to native 40+ carriers**, users can bring their own negotiated carrier accounts (like UPS & FedEx), or tap into Shippo's discounted master rates (like USPS) that can save you up to 90% off of retail shipping rates.

- ⊘ Global rate shopping
- ⊘ Seamless label generation
- ⊘ International address validation
- ⊘ Package insurance
- ⊘ Shipment tracking
- ⊘ Billing & reconciliation
